Torrance Lady Anglers win their annual fishing derby against the Oceanside Lady Anglers, 259 lbs. against 217 lbs. This is the fifth year the gals have fished against each other, on the Duchess. The contest is judged by total weight of fish. Weigh-in is at the end of the Oceanside pier, which always creates a crowd of curious onlookers. Not only because of the fish weigh-in, but the sight of so many gals fishing from one boat. The skipper gets kidded from the time they leave, because for five years their catch has been more than the other sport fishing boats (loaded with men). There's not a minute's rest. Every gal fishes, and hard, from the time the anchors are dropped until they're pulled up and the boats head toward shore. Joyce Cannon (first time out) took the most fish, and fished like a real pro. Oceanside will present the trophy to the Torrance ladies at the annual installation dinner of the Torrance Rod & Gun Club, in December.

Congratulations gals. Picture below. Top row, Marcela Smith, Doris Seeman, Gladys Kimberley and Helen Smith. Bottom row, Janice Strong, Shirley Smith, Annabel Mael, Pat August and Joyce Cannon.

Ernie Maloy is just about the happiest, proudest fellow in town, these days. (In fact he has all the appearances of a "Strutting Peacock"). Last Thursday he was practicing up on his golf game at the new Gardena Golf Ranch and on the 9th hole, which is 100 yds. from back marker, his golfing ambitions came true. He got a hole in one.

He claims it was the biggest thrill he has ever experienced and he still can't believe it. (Just luck, or could I be envious? You betcha I am). Keep on strutting, Ernie. Every golfer in town envies you.

Hope all you dove hunters are ready for the Sept. 1st opening. Do you have your hunting licenses, shot gun, hunting vest, ammo, large hat, confidence and a cool can? If so, you are ready. We'll see you in Blythe or Winterhaven. Remember the limit is ten in possession.

Babe Ruth League

Pac-Am Champ Eliminated

The Pacific-American Babe Ruth League champion Orioles were bounced out of the Westchester Invitational Tournament Sunday after host Westchester exploded for a 16-3 victory at Sullivan Field in an abbreviated five inning skirmish.

The winners struck for four runs on three hits in the get-away inning and insured the triumph with nine runs in the fatal fifth.

WESTCHESTER wove five singles, five walks, three errors and a hit batsman into the nine big tallies.

The tourney was limited to champions of individual Babe Ruth Leagues (for 13-15 year old boys) in the South Bay area.

Westchester had earlier defeated El Segundo, 10-5 while the Orioles who ran up a 13-1 regular season record under manager Charles Jonas, had kayoed Huntington Park, 10-4 in a previous tournament meeting.

Hubert Fans 16 Batters In 2-1 Win

The Torrance Chamber of Commerce pushed across two unearned runs in the first inning Tuesday then outlasted an all-star baseball team from Sportsman's Park for a seven-inning, 2-1 win behind Carey Hubert's sizzling 16-strikeout pitching at Holly-Glen Park in Hawthorne.

The win enabled the local 13, 14 and 15-year-old all-stars to advance to the second round of the Southern California Municipal Athletic Federation's (SCMAF) tournament.

The Chamber of Commerce-sponsored contingent will go against Rosemead Park all-stars tomorrow evening at 7:30 at Holly-Glen Park.

Tuesday, Hubert fanned every opposing batter — save one — at least once in registering his phenomenal 16-strikeout total. During one stretch, Carey, who'll be a sophomore at North High this fall, fanned eight batters in a row.

The locals took advantage of two Sportsman's Park errors in the first inning to score the narrow victory. A base on balls to leadoff batter Jason Castillo, a single by Ernie Clayton and the two miscues produced the runs.

Sportsman's Park scored without benefit of a hit in the 5th. A walk, a sacrifice, and an error pushed the run over. Hubert did not give up a base hit until the 6th.

Clayton, Torrance's shortstop, had two of his team's three hits, both singles.

The South Torrance Rebels — managed by Ed Bell — got by the first round the easy way on Monday via forfeit from Montebello.

South Torrance will face its first tourney test tomorrow night against either the Pacific All-Stars from Burbank or Monterey Park's "A team" at 7:30 at Cordary Park.

A's Clinch City Championship With 1-0 Win Over Chargers

By DORIS AVIS
The A Team clinched first place in the Girls Softball League Tuesday night at McMaster

Park with a 1-0 victory over the second place Chargers. Winning pitcher Gerry Fiorella gave up only two hits while

striking out eleven batters as the winners posted their 11th win of the season. Only one Charger reached third base.

'CYCLE FAVORITE . . . Former National Champion Don Hawley, Inglewood, is favored to win his first main event of the current season tomorrow night at Gardena's Ascot Stadium where cycle racing is at its west coast best. Johnny Muckenthaler, Neil Keen, Johnny Rich, and Bob Kircher are all expected to give Hawley all he can handle in the form of stiff competition.

The lone run came in the bottom of the fourth when the lead-off batter, third baseman Mel Kovicnik, was safe at first on an error by the Charger third baseman. Mel then stole second and during a "discussion" by the Charger team about the call at second, Mel promptly romped to third.

She scored the winning run on the next play by beating a late throw to the plate.

The Chargers came back in the top of the fifth and looked as though they would at least tie up the game after the first two batters got solid singles. But then Gerry settled down and struck out two and got one to pop up.

C. V. Whitney, One Title Cinched, Aims at 3 Racing Championships

In 1933 C. V. Whitney's stable completed a four-year run as the leading stable in the country. Sixty two horses that carried the eton blue and brown cap that season won 136 races, were 127 times second and 141 times third, earning \$241,292.

The Whitney stable has had some good horses and good seasons since but this year they are again at the top of the list and one horse alone, Dotted Swiss, has earned \$234,700 by winning eight of fourteen starts and being in the money on five other occasions. Through July the C. V. Whitney colorbearers had won 46 races, been 32 times second and 24 times third, to earn \$678,177.

WHILE VERY FEW have ever been known to "knock" money it is likely that "Sonny" Whitney is equally pleased with the possibility of another Champion, (he has candidates in three divisions of the TRA Board of Selection balloting) as he is with the assured title of leading money-winning owner of the year.

Mr. Whitney personally made a trip to New Orleans last December to receive the TRA award for his Champion filly Silver Spoon who is bidding for a repeat performance among the older fillies and mares this season.

Another Whitney candidate

for Championship is Tompion, beaten favorite in the Kentucky Derby who recently made a comeback at Saratoga and is pointing for the historic Travers Stakes at the Spa course on Saturday, August 20. Tompion had pulled a shoe and torn his hoof in the Derby and has been sidelined since.

IN THE Bernard Baruch Stakes at Saratoga last week Tompion, apparently hopelessly beaten, was steered between horses by Manuel Ycaza and got up to win and leave no doubt that he is returned to top form.

Dotted Swiss, a 4-year-old which suddenly blossomed

forth as a contender in the Handicap division has now won six straight at distance from 6½ furlongs to one and five eighths miles. Dotted Swiss is a son of another good C. V. Whitney racer, Counterpoint, voted the TRA's American Championship in the 3-year-old division of 1951.

HE DID NOT start as a 2-year-old and won only one of four starts last year but apparently intends to make up for lost time. He is meanwhile scheduled to make his first start on a grass course in the rich Arlington Park Handicap on Saturday.
